MUNICIPAL FINANCE TERMS

APPROPRIATION: An authorization granted by the Town Meeting to make expenditures and to incur obligations for specific purposes.

AVAILABLE FUNDS: Available funds refer to other funds available for appropriation by the Town Meeting, such as Wetland Protection funds, Cemetery Lot sales and Perpetual Care Interest and old article balances returned to revenue.

OVERLAY, ALSO CALLED ALLOWANCE FOR ABATEMENTS AND EXEMPTIONS:

The overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover tax abatements granted and avoiding fractions in the tax rate. It cannot exceed 5% of the levy.

FREE CASH: Certified each year by the Director of State Bureau of Accounts, this is the portion of the fund balance which is available for appropriation by a Vote of Town Meeting. It is not cash, but rather is the approximate total of cash and receivables less current liabilities and earmarked reserves.

TRANSFER: The authorization to use an appropriation for a different purpose; in most cases only the Town Meeting may authorize a transfer.

RESERVE FUND: This fund is established by the voters at an Annual Town Meeting only and is composed of an appropriation (not exceeding 5% of the tax levy of the preceding year). Transfers from the Reserve Fund are within the exclusive control of the Finance Committee, and are for “extraordinary or unforeseen” situations, normally emergencies.

STABILIZATION FUND: This is a special reserve for future expenditures. The aggregate amount in the fund shall not exceed, at any time, 10% of the valuation in the preceding year. Money may be voted into the fund by a majority vote at Town Meeting. Money may be appropriated from the fund only by a two-thirds vote at Town Meeting for any municipal purpose.

CHERRY SHEET: An annual statement received from the State Department of Revenue detailing estimated receipts for the next fiscal year from various State Aid accounts and estimated charges payable by the assessors in setting the tax rate. Named for the cherry colored paper, which the State traditionally has printed it on.

PROPOSITION 2 ½ TERMS

Chapter 59, Section 21C of the Massachusetts General Laws commonly referred to as Proposition 2 ½ (Prop. 2 ½) or the Tax Limiting Law for Cities and Towns in Massachusetts.

LEVY: The property tax levy is the revenue a Town can raise through real and personal property taxes. The property tax levy is the largest source of revenue for the Town.

LEVY CEILING: This is the maximum the levy limit can be. The ceiling equals 2.5% of the Town's full and fair cash value.

LEVY LIMIT: The Maximum the levy can be in a given year. The limit is based on the previous year's levy limit plus certain allowable increases.

LEVY LIMIT INCREASE: The levy limit automatically increases each year by 2.5% of the previous year's levy limit.

NEW GROWTH: New construction and new parcel subdivision may also increase the Town's levy limit.

OVERRIDE: A community can permanently increase its levy limit by successfully voting at a referendum to exceed the limits. A community may take this action as long as it is below the levy ceiling.

GENERAL OVERRIDE: A general override ballot question can be placed on a referendum if a majority of the Board of Selectmen vote to do so. If the ballot question is approved by a majority of the voters, the Town's levy limit is permanently increased by the amount voted at the referendum. The levy limit increase may not exceed the Town's levy ceiling. Override questions must be presented in dollar terms and specify the purpose.

DEBT EXCLUSION: This override ballot question can be placed on a referendum by a two-thirds vote of the Board of Selectmen. If a majority of the voters approve the ballot question the Town's levy limit is increased only for the amount voted at the referendum for the life of that debt only. The levy limit increase may exceed the Town's levy ceiling.

CAPITAL OUTLAY EXPENDITURE EXCLUSION: This override ballot question can be placed on a referendum by a two-thirds vote of the Board of Selectmen. If a majority of the voters approve the ballot question the additional amount for the payment of the capital project cost is added to the levy limit or levy ceiling only for the year in which the project is being undertaken.

CONTINGENT VOTES: Chapter 634 of the Acts of 1989 permits a Town Meeting to appropriate funds contingent upon passage of a referendum question (OVERRIDE). A contingent vote does not automatically result in an override referendum. An override referendum can only be called by the Board of Selectmen. If a referendum is called by the Selectmen it must take place within forty-five days of the Town Meeting vote.

Pursuant to chapter 80 of the General Laws of Massachusetts, the Board of Selectmen may establish a betterment program whereby those properties that benefit directly from the dredging of inner harbors or rivers in the Town of Harwich shall be assessed their proportionate share of the project's total cost. Once the Board of Selectmen has declared that it is prepared to begin the permitting process for the particular dredging operation, the betterment program may be initiated by a petition signed by the direct abutters that are entitled to the dredging permits that cover a majority of the area to be dredged. The Town will be considered a direct abutter for any Town owned dock space or mooring

AMEND SECTION VII OF THE ZONING BY-LAWS - SIGN REGULATIONS

ARTICLE 14: To see if the Town will vote to amend the Harwich Zoning By-law by deleting Section VII (Sign Regulations) in its entirety and substituting a new Section VII (Sign Regulations) as set forth below, and to act fully thereon.

Explanation: This amendment is identical to the one approved at the May 2009 Annual Town Meeting. It is being reworded due to a procedural error. The revised sign code has been adapted to improve the permitting process for private business owners and groups and to clarify the difference between municipal and non-municipal signage for enforcement purposes. New opportunity has been created for the legal placement of non-commercial, non-Town owned signs on approved Town owned sites. It is the intention of the Section VII (Sign Regulations) to provide support to the local economy while managing the impacts of sign placement on our community's character. This revision also seeks to reduce the cost of administrative overhead and eliminate duplicate tasks by redirecting the review of sign permits from multiple boards to professional staff and Historic District approval as necessary. Further, this by-law incorporates the policy accepted by the Board of Selectmen on December 8, 2008.

SECTION VII SIGN REGULATIONS

1.00 PURPOSE AND SCOPE:

- A. The purpose of this section is to regulate signs which facilitate communication, promote the safety of motorists and pedestrians by preventing distractions and obstructions of public ways and walks that may be caused by signage, prevent visual clutter, and encourage economic development by allowing the sitting of signage that identifies businesses and other land uses in ways that complement and enhance our community's character.
- B. This sign regulation provides a permitting system to govern the placement of advertising and other informational signs both outdoors and in windows within the Town of Harwich.

1.01 RELATIONSHIP TO OTHER BYLAWS:

- A. Nothing in this bylaw shall be construed as exempting an applicant from any other applicable town, county, state, or federal bylaws.
- B. To the extent that the requirements of this bylaw differ from, or are not in accordance with any other applicable requirements, the more restrictive requirements shall apply.
- C. All signs erected within the Historic District shall conform to all Historic District requirements.
